Impressive Villa in La Cala Golf, with rustic style but at the same time modern, from the hall you can perceive 3 heights, down a majestic living room with wooden beams and with large windows that allow light to enter at any time of the day and that they give panoramic views to the living room, next to it, an immense kitchen of brick and wood with exit to the garden, in which is the porch, realized in natural stone taking care even the smallest detail and making it look a very external place cozy. Between the middle floor and the top floor there is a living room and another smaller kitchen than the main one, it also has 6 bedrooms and 7 bathrooms and a private pool with views of the golf courses. Closed garage with two parking spaces and a toilet. And terraces scattered throughout the house to make the most of the sunny hours and the fantastic views that this villa offers from any of its angles.
