JUST REDUCED BY 10,000€ !!! A beautiful south facing 1st floor apartment with stunning views across the golf course and swimming pool. This property has been very well maintained by the current owners and is furnished to a high standard. The apartment features extra storage in the kitchen, bathroom and garage making it very unique to other properties in the same area. It also benefits from air conditioning and central heating in all rooms and is only a short walk to the clubhouse, restaurant and supermarket. Internal viewing is highly recommended! The Hacienda Riquelme Golf Resort opened in 2007, consisting of 1,864 apartments laid out around a beautifully maintained golf course between the coastal town of San Javier and the City of Murcia in the east of the region. This Polaris World urbanization is fairly well occupied in the summer season, and the feeling of space on the 175-acre development is a noticeable improvement on some of the neighbouring projects in the heart of Murcia's golf country. As well as the beautiful golf course, there are two tennis courts, two paddle tennis courts, an outside gym, 5 lakes, six children's play areas and 19 swimming pools serving the 78 apartment blocks. At the centre of the development is the Cason, which now houses the resort centre and restaurant as well as a supermarket and the golf pro shop and there are several other courses within an easy drive.
