WOW Look at those views – Exclusive listing from Sunflower Estates! Ready to move in.

Very pretty well kept urbanisation with pool, paddle, storage and private garage (spacious parking), finished in 2007. The property is a baja, but built in the mountain, so it does not feel that way from the terrace (south facing).

Fully fitted kitchen (brand new appliances).

Extra storage – dining area off lounge and good size living room. Two bedrooms and two bathrooms, master bedroom and lounge walk out onto the terrace, the master bedroom has got en-suite bathroom with bath tub and separate shower.

The other bedroom has got 2 single beds and a bunk bed (see photo). Off the second bedroom a very good family bathroom with bath tub. This property is very well taken care of and for this price completely furnished with custom made quality furniture (worth about 20.000Euros).

If you are looking for views, sun, and quality in a nice – upcoming- area this is definitely your property! Fully air coned and hot water heated by solar panels.
